

2020 CONSERVATION PARTNERSHIP GRANTS				
APPLICANT	PROJECT NAME	PROJECT DESCRIPTION	ACRES	GRANT AWARD
Buzzards Bay Coalition	Lyons Brook Conservation Project	The project will permanently protect almost the entire watershed of the branched Lyons Brook, a small, sensitive Mass DFW-designated coldwater stream that is a tributary of the East Branch of the Westport River and one of the few remaining local streams where a population of wild native sea-run brook trout persist.	50.00	\$85,000
Dennis Conservation Land Trust	Tobey Woodland	The 13.98 Tobey Woodland property is an original colonial grant of land to Widow Mehetable Tobey in 1676 and is one of the last pieces of large, untouched open space in the town.	13.98	\$85,000
Harvard Conservation Trust	Still River Woods	The parcel is entirely forested and characterized by craggy rock outcrops that punctuate a gently sloping terrain that feeds into a large ancillary wetland of Bare Hill Pond. The parcel fits within a large, relatively undeveloped landscape with over 425 acres of permanently protected conservation land, while the 1,600-acre Oxbow National Wildlife Refuge is located just west.	23.30	\$85,000
Kestrel Land Trust	Whately Center Woods	The property is only 1/2 mile from the town's center and is almost completely forested with small streams, wetlands and at least one vernal pool beneath the canopy. The site already has a network of trails.	120.40	\$85,000
The Compact of Cape Cod Conservation Trusts, Inc.	Upper Mill Pond Woodlands Project	The project is a 4.08 acre pine-oak forested parcel located near Upper Mill Pond in Brewster. The Compact is working with the Brewster Conservation Trust to preserve several adjoining pine-oak forest parcels, developing a protected open space area that will comprise more than 40 acres, to be completed by 2022.	4.08	\$85,000
The Compact of Cape Cod Conservation Trusts, Inc.	Portanimicut Greenbelt Acquisition	The Compact is working in partnership with the Orleans Conservation Trust to purchase & preserve this parcel, along with adjoining pine-oak upland parcels, for a total of 4.65 acres.	1.84	\$75,000

Westport Land Conservation Trust	Brayton Project	The Brayton property is a critical link in a larger 900-acre greenway of protected open space and conserved farmland along with West Branch of the Westport River.	18.20	\$41,750
